EU Legislation on Food Contact Materials

1100NK

On behalf of IRPC Public Company Limited, we hereby certify that Polypropylene Homopolymer Grade POLENE 1100NK complies with the Standard-European Economic Community 2002/72/EC which allows the polymer to be used in food contact applications.

The scope of this statement is within the details of the abovementioned regulation only, and does not cover the modification, processing, and conversion of the finished product. It is the responsibility of the converter / user of the product to determine and appropriate the regulatory suitability for food contact compliance.

This information is valid until December 31, 2010
